

# An Evening In for Hospice

To Friends of Hospice,

Whether or not you are able to attend the 2018 WCSC Hospice Regatta on October 12<sup>th</sup> – 14<sup>th</sup>, you can still play a major part in the success of this annual WCSC event. Last year, *An Evening In for Hospice* brought in \$260 for **Hospice of the Upstate**. Surely we can top that amount this year!

This year once again we are giving all friends and their families an opportunity to contribute to **Hospice of the Upstate** at various levels through our Evening In Program. It works like this:

What if instead of going out for one evening, you decided to stay at home and contribute to **Hospice of the Upstate** the amount you would have spent by going out on the town. Anyone can do it at some level. Please consider taking what you would normally spend going out and instead make a charitable contribution to this most worthwhile cause. You may want to spend a couple of evenings in. Mix and match, the choice is yours! Share this opportunity/form with your friends. The various levels are as follows:

<i>An Evening In for Hospice</i>	Contribution	Level	Quantity
Instead of buying a “Value Meal” for one person at a local fast food restaurant, contribute	\$5.00	Meal	
Instead of going to a local <b>Pub</b> for Chips, Salsa, and an Imported Beer, contribute	\$10.00	Pub	
Instead of going to a <b>Movie</b> for 1 adult and 1 child sharing a small drink and popcorn, contribute	\$25.00	Movie	
Instead of going to <b>Dinner</b> for 2 with a glass of wine at the Galley Restaurant, contribute	\$60.00	Dinner	
Instead of going to a <b>Show</b> for 2 such as the <b>Trans-Siberian Orchestra: The Ghosts of Christmas Eve</b> at the Bon Secours Wellness Arena, contribute	\$100.00	Show	
Any Other Contribution Amount	\$		
<b>Total Contribution</b>	<b>\$</b>
